Circle Song: (tune: Have you ever seen a lassie)

Have you ever seen a circle, a circle, a circle?
Have you ever seen a circle, which goes
round and round?

It goes this way and that way. And that way
and this way.

Have you ever seen a circle, which goes
round and round?

Do you know what shape this is?

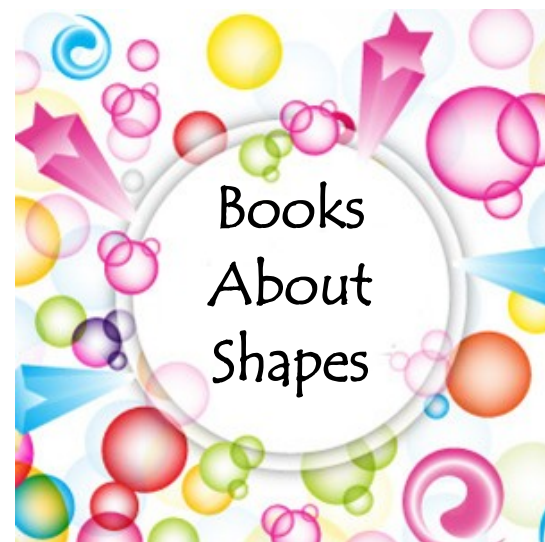

(tune: Do you know the muffin man)

Do you know what shape this is?

What shape this is? What shape this is?

Do you know what shape this is, I'm hold-
ing in my hand?

Note: Hold up a different shape each time
and have your children yell out the shape.
